THE DIRECTOR CONGRATULATING A BIRTHDAY CELEBRANT

New PTA EXCO Emerge

A new Executive committee of the Parents-Teachers Association (PTA) of Jiwo Academy, Bida was reconstituted at the 2012/2013 General meeting of the association held at the school premises on Saturday, 6th July, 2013. The reconstitution of the Exco followed a vacuum created by the disengagement of the former Chairman, Mallam Danfulani Shehu from the position.

Consequently, the following officers were appointed by the general assembly as members of the EXCO: Dr. Taofeeq T. Oshisanya (Chairman), Mallam Ibrahim Umar (Vice Chairman), Mr. Alfred Honesty Ovai – Head Teacher (Secretary), Mrs. Amina O. Yusuf (Asst Secretary), Mrs. ... (Treasurer), Mr. Aminu Sale (Financial Secretary), Mr. Alfa Alhaji Jibrin (PRO), Mallam Mohammed M. Gimba – Adviser (Ex-Officio I) and Mrs. ... Salawu (Ex-Officio II)

Meanwhile, the PTA general assembly has agreed that with effect from 2013/2014 session the PTA fees would be N1,000 per annum (payable once, in the first term).

Management negotiates New School fees with PTA

The Management of Jiwo Academy, Bida has negotiated with the PTA slight increases in the school fees payable by new and returning pupils effective 2013/2014 session. The Director of the school, Mallam Musa Ladan informed the PTA general meeting that the fees increase, the first since the school was established on 1st October, 2010, had become imperative to enable the school improve on its standard by providing a more conducive teaching and learning environment. The Director further explained that Management's consultation with the PTA on the proposed increase was a demonstration of the school's commitment to the principle of stake-holders involvement in major decisions that affect the effective running of the school.

The PTA general assembly which held on Saturday, 6th July, 2013 therefore negotiated and agreed to 22% increase on the existing registration/tuition fees for the different categories of sections, in addition to marginal increases in other relevant fees payable by pupils. The Management was mandated to circulate details of the overall fees payable by each section in the News Bulletin.

In the same vein, the Director of the school announced to the PTA that parents who pay their children's school fees before or on the first day of resumption would be entitled to the Early Bird's advantage, that is a 10% discount on the registration/tuition fees only, while parents who pay within one week of resumption would enjoy 5% discount on the registration/tuition fees.

Meanwhile, the PTA has agreed with the Management that every parent should endeavour to pay the appropriate school fees within four weeks (4) of resumption.

Nursery III reintroduced in Jiwo Academy, Bida

The PTA has been informed by the Director of Jiwo Academy, Bida of the decision of the Curriculum Advisory Committee of the school to reintroduce Nursery III class with effect from 2013/2014 session. The Director explained that the school's reconsideration of its earlier decision to scrap Nursery III was predicated on the need to give pupils very sound background preparatory to their entrance into Primary I.

The Director further stated that the new decision is also in consonance with the existing structure of classes approved by Government as contained in the National Policy on Education and other applicable guidelines by relevant Government institutions in the education sector, such as the Nigerian Educational Research Council (NERC). He added that already obtained copies of the curriculum for Nursery III from the NERC, which will be implemented as from September 2013.

Consequently, the PTA has agreed with the decision to transit pupils from Nursery II to Nursery III, but suggested to Management to consider pupils with exceptional abilities in Nursery II for automatic promotion to Primary I. The Management was advised to organize a special examination for all Nursery II pupils to give everyone a chance, in the interest of equity and fairness to determine those who may be considered for admission into Primary I from Nursery II.

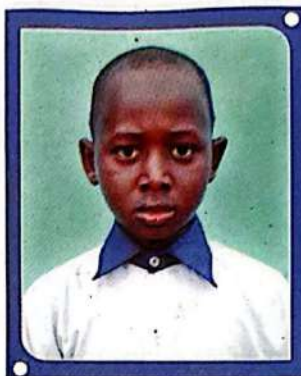

Parents Advised On Early Attendance of School By Pupils

Parents have been advised to bring their children early to the school and to take them away on time after the closing hour. The advice was contained in the address of the Head Teacher, Mr. Alfred Honesty Ovai at the PTA general meeting on 6th July, 2013.

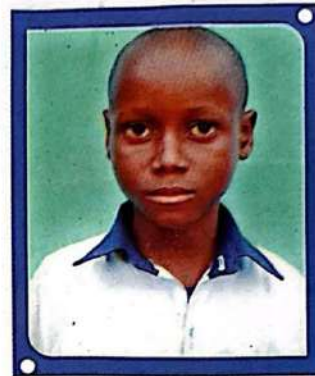

The Head Teacher appealed to parents to complement the effort of the school by paying more attention to the educational development of their children. He said a situation where some parents bring their children to school at 8.30am or take them at 4.00pm after closing hour is worrisome and unacceptable to the school. He encouraged parents to buy textbooks and other relevant learning materials for their children to enhance their educational development.
